Products & Services

Primary Services and Deliverables

Training Solutions

Our expert training solutions blend innovative methodologies with real-world applications, ensuring engaging learning experiences tailored to your needs.

From leadership and operations to complex technical and safety critical objectives, our highly experienced instructional practitioners are skilled in designing effective learning strategies to elevate your workforce and stay ahead of the curve.

Performance Consulting

Identify performance gaps and implement strategies through tailored solutions for times when training isn't the answer. Reduce downtime and increase efficiency through just-in-time performance support that offers "on-the-spot" guidance and feedback when it's needed most.

Dynamic and adaptable performance solutions evolve with your business and offer continuous support for long-term enhanced productivity and improved performance.

Change Management

Navigate Change with confidence! Working with a Change Management expert ensures a seamless transition for your organization.

From strategic planning to employee engagement, we take a people-based approach to guide you through every step of the change process. Embrace transformation effortlessly with proven methodologies like Prosci® and industry standards from the Association of Change Management Professionals.

Corporate Coaching

Effective coaching programs foster skill development, enhance leadership capabilities, improve team dynamics, and ignite professional growth.

Elevate employee performance and help them achieve goals with guidance that goes beyond the basics. Individual, Group, Team, and Executive coaching services are available and ideal for rising managers, work groups, teams, and executive leaders.

Additional Services

New Hire Onboarding

Identify performance gaps and implement strategies through tailored solutions for times when training isn't the answer. Reduce downtime and increase efficiency through just-in-time performance support that offers "on-the-spot" guidance and feedback when it's needed most.

Dynamic and adaptable performance solutions evolve with your business and offer continuous support for long-term enhanced productivity and improved performance.

Workshops & Webinars

Our workshops and webinars blend expertise with innovation, designed to present one-off and serial topical events delivered virtually or in-person.

Captivate and educate employees as they gain insights and practical skills around our pre-set topics or something we customize for you, ensuring that every session leaves participants inspired and ready to implement new knowledge.

Additional Services

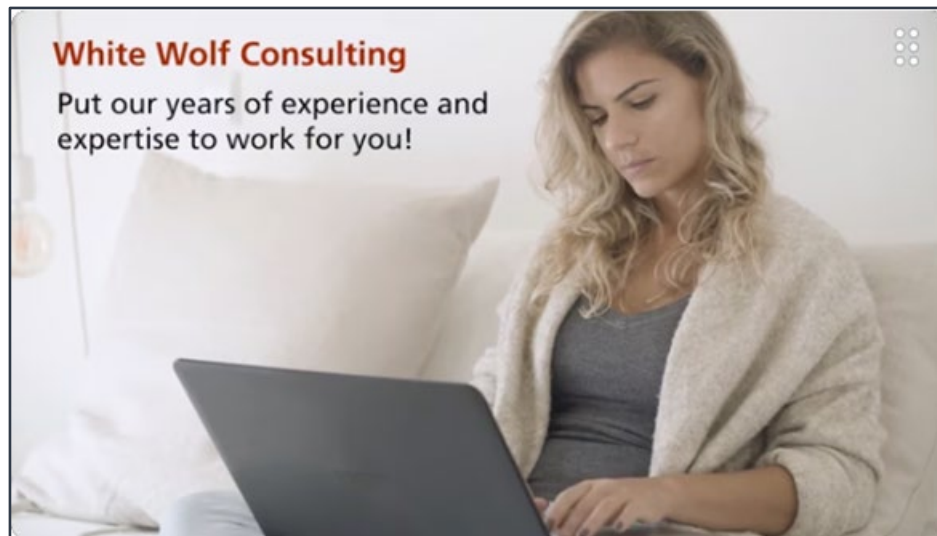

Discover strengths and potential with data-driven insights from a variety of assessments. Gaining a better understanding of people and team dynamics is an important step toward optimizing performance.

We offer Individual and team reports paired with consultation sessions for Myers-Briggs® (MBTI), Strong Interest Inventory, DiSC, Big Five, Clifton Strengths, and Hogan®.

The Customer Journey

Solutions to Address Organizational Needs

01

Training Solutions

Organizations thrive with training programs that adapt to individuals' learning needs, ensuring a more engaged workforce and quicker mastery of essential skills.

02

Performance Consulting

Elevate productivity by providing instant access to on-the-spot guidance and information, minimizing downtime and empowering employees with the right tools at their fingertips.

03

Change Management

Navigate change seamlessly through proven methodologies, ensuring that the entire organization embraces and adapts to transformations with flexibility and enthusiasm.

04

Executive and Team Coaching

Coaching goes beyond leadership development; it's a strategic investment that hones individual strengths, fostering a culture of innovation, and driving organizational success.

Organizational Landscape and the Employee Journey

Hire the right people and provide a great onboarding experience.

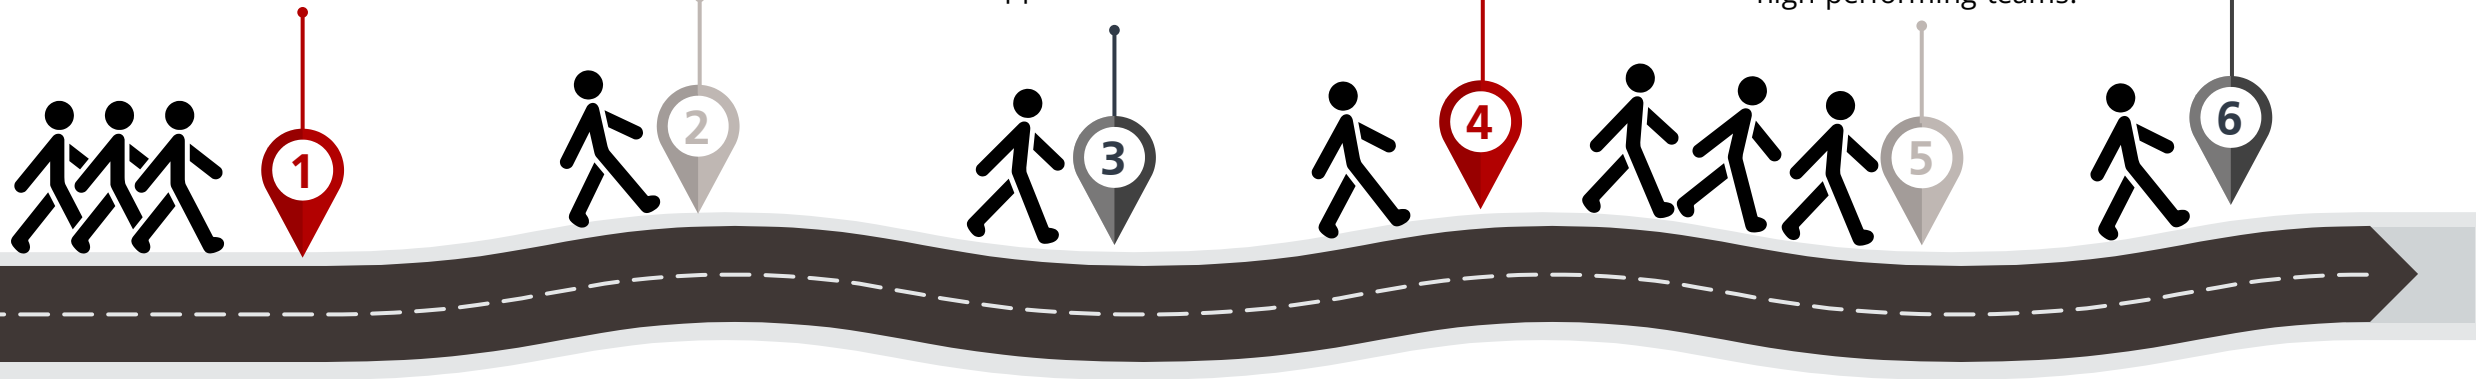

Set employees up for success with high quality training.

Improve productivity with performance support solutions.

Develop rising leaders through development programs.

Implement team coaching to develop high-performing teams.

Support employees to navigate change with confidence.

What could you accomplish if you empowered employees in a way that improves your organization's performance?

Understand Where Your Organization Stands

Before deciding whether to invest in training, leadership development, or organizational change, it helps to step back and ***take an honest look at your current environment.***

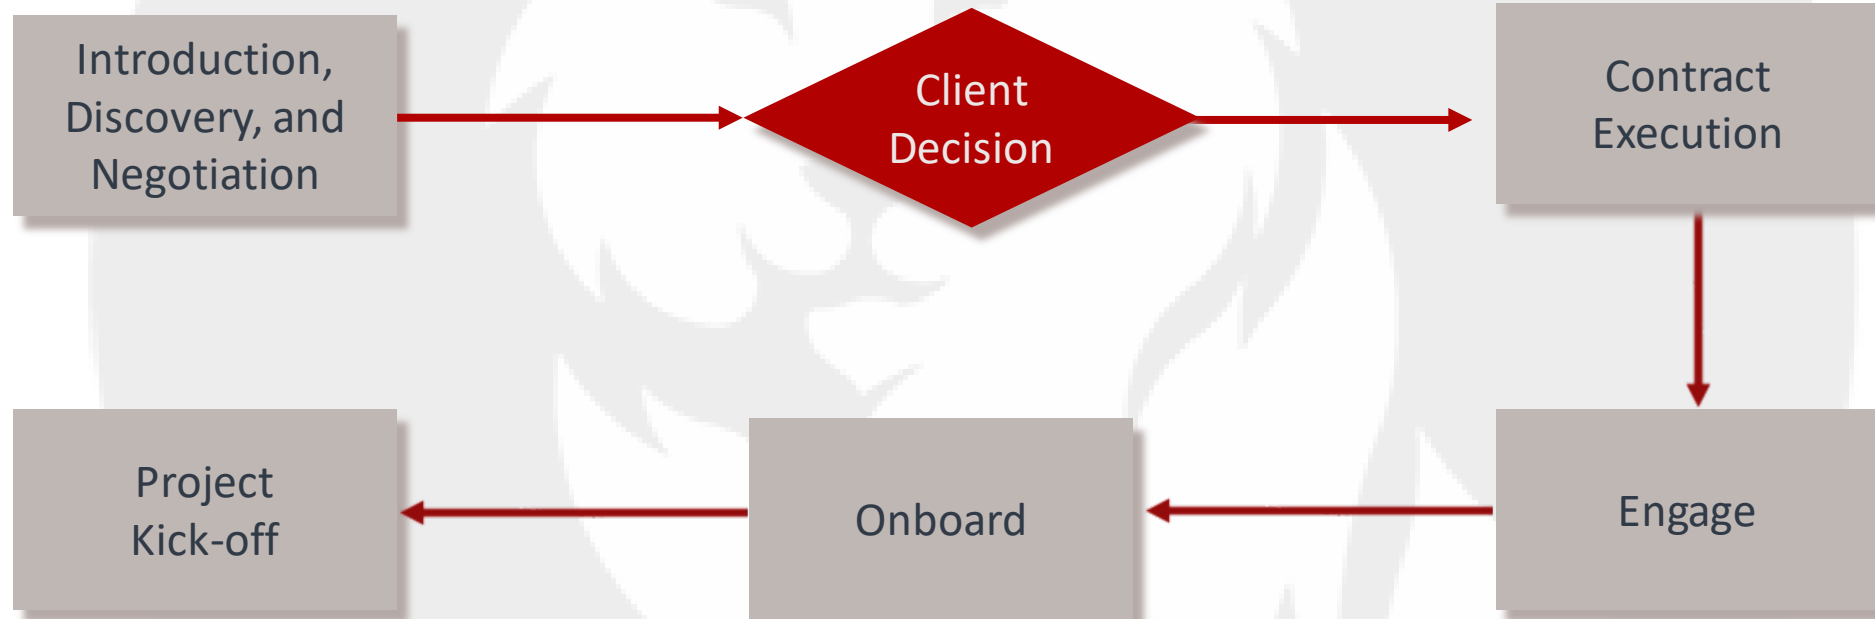

Our **Organizational Performance Survey** is a short assessment designed to help leaders evaluate key areas such as culture, workforce capability, learning, innovation, and performance improvement.

In just a few minutes, you'll gain insight into where your organization is strong and where opportunities for improvement may exist.

Testimonials

“White Wolf Consulting's Ronda Harris is our go-to instructional design partner here at Marco's Pizza. She has been absolutely critical to helping us move the training and leader(ship) development ball down the field in the years we've been partnered with her.”

- R. Sanders, VP and Chief People Officer - Marco's Pizza

“QTS and White Wolf Consulting have had a relationship for the past 5 years. Over that timeframe White Wolf Consulting has proven to be a valued and trusted partner with QTS. In a consulting capacity White Wolf has been very effective at identifying, analyzing and developing programs that have been leverages in all areas of our organization.”

- T. Hayes, Director of Training - QTS Data Centers

“Great quality of work, great to talk to. Makes complex jobs easy and has the patience of a saint. I am a regular customer and plan to keep it that way.”

- A. Whiting, Senior Project Manager, Custom Content - Relias
